## Wedding Day Information

Welcome to Stone Mountain Lodge and Cabins on this wonderful wedding day. We want you to rest assured that our staff is handling all of the facility details.

Our Lodging staff will be happy to open a panel of the Reception tent in the morning to allow for you to decorate. Please do not open additional tent panels; our Event staff will take care of this.

Our Event staff will arrive about 2 hours before the Ceremony to set up chairs, direct vendors, assist with parking and handle other support details.

Any chairs or table arrangement needed at the Garden Area will be handled by our Event staff.

The Reception tent has been set with tables according to the pre-wedding walk-through. Any last minute changes will be handled by our Event staff

If you have any questions for our Event staff, please call our Event Coordinator at 720-290-7326

Thank you
